Welcome to the Northland High School Alumni Foundation (NHSAF). NHSAF is a great way for graduates of Northland High School to stay in touch with our alma mater, with former classmates, teachers, and fellow alumni, and to help enhance the positive energy at the school!

The NHSAF website (www.northlandhigh.com) will be your source for information. Our goal is to support students, programs, and the school with specific areas of need. *NHSAF is a 501 (c) (3) organization. Payments and donations are tax deductible.*

NHSAF Mission: To enhance the Viking Spirit by bringing present and past Northland High School students and faculty together to share cherished NHS experiences, to enhance future goals for the school, and to provide scholarships for students.
